Registrants who are unable to attend may propose a substitute attendee, which may be accepted in HIMSS's sole discretion. The proposed substitute must register for the Conference and pay the fee

associated with their own registration and membership status. Once completed, the original registrant must send the substitute's registration ID to reg@himss.org and the original registration fee will then be refunded in full.

HIMSS reserves the right to cancel, amend or reschedule the Conference or any portion(s) of the Conference. If the entire Conference is canceled or postponed for technical or other reasons, your registration may be rolled forward, in HIMSS's sole discretion, to the next edition of the HIMSS European Health Conference & Exhibition. Your registration fee will not be refunded.

HIMSS Badge Scanning

HIMSS uses badge scanning for in-person attendance. HIMSS does so to share your registration Contact Information as described below, as well as to determine session attendance, deliver session surveys, manage session capacity, and enforce session restrictions. The scanning of your badge is your consent to having your registration Contact Information and other identifying information you provided to HIMSS shared with Conference producers, exhibitors, sponsors, partners, and within the HIMSS organization. Please be aware that exhibitor and sponsor scanning of attendee badges is optional, and you may refuse to have your badge scanned at booths as well as at the entrance to exhibitor sessions and functions without penalty; you acknowledge that if you do not permit sharing of your Contact Information in this context, you may not be able to attend certain sessions or functions.

Exhibitors

You have the choice to provide or withhold consent to the provision of your Contact information to exhibitors at the Conference. If you permit an exhibitor to scan the QR code on your Conference badge, you are providing opt-in consent to HIMSS to provide your Contact Information to the exhibitor (which HIMSS does in a secure fashion). The QR code does not link to your Contact Information. This is why your consent is necessary to have HIMSS provide it. When you have your QR code scanned you are also confirming your consent to receive communications from the exhibitor. You can opt-out of having HIMSS provide your Contact Information to an exhibitor by declining to have the exhibitor scan your badge.

Sponsors

Sponsors hold events and business opportunities at the Conference to which they require HIMSS to provide Attendee Contact Information. The sponsors may require that your badge be scanned by the sponsor in order to attend an event. You acknowledge that if you do not permit your badge to be scanned you may not be able to attend the event if the sponsor requires that badges be scanned to gain admittance.

Image, Audio and Video

By registering for and attending the Conference, you are consenting to allow HIMSS, **and others acting on its behalf or through sponsorship or exhibitor contracts ("Partners")**, to record and use any image or video or voice feed you provide (e.g. in a Q&A), without payment of any kind, for

use in their promotional and editorial activities and for their future use in any and all media, including social media.
